NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

The Pipers played the type of football the other night in beating Cisco that we have felt they were capable of this year. But we were somewhat disappointed in the reaction of some of our so-called fans the next day. We were asked if Cisco was just overrated or if Hamlin was just playing over their heads.

We have the makings of a fine team this year but we doubt if they can carry all of the mistakes of past Hamlin teams and the poor support of our fans and still win. Let's wipe the slate clean and give these boys a chance.

While this is the Centennial Year for football in the United States and much is being made of this fact during the college and pro games on television, it is also the Golden Anniversary for high school football under the sponsorship of the University Interscholastic League in Texas.

League sponsorship of football started in 1919 with 109 schools playing football in Texas in one league. This has grown to 1,006 schools taking part this fall. Texas is the first and only state to have a thousand or more high schools playing football. This number was reached last year.

This year in Texas football, junior high through high school, there will be approximately 15,000 football games played; 125,000 players participating in these games; and 10,000,000 fans will witness these games, according to Bailey Marshall, state athletic director of the UIL.

Mr. Marshall in his column, "Postscripts On Athletics" in the Interscholastic Leaguer, points out a number of interesting facts about the growth of football over the past 100 years and the 50 years of the UIL.

The terms, "the football team" and "the eleven," have been synonymous for many years but team size changed many times.

In the football game recognized as the first, between Rutgers and Princeton, there were 25 players on each team.

In 1872 and 1873 most of the schools had dropped the number of players to a team of 20.

The 15-man team came into being in 1876. The year 1876 was important for other reasons as well. The round ball was replaced with the egg-shaped football. Backward passing and other elements of the modern day game were introduced.

Eleven-man football was first introduced in 1876, but it was 1880 before the concept of eleven-man football triumphed. After that time football was thought of as an 11-man game.

In 1934 six-man football was introduced. Six-man football was introduced into the League in 1938 with six teams participating the first year. Eight man football followed in 1958. Forty-eight teams participated the first year and there are presently 102 schools playing six and eight-man football.

The first record of playoffs in the League files shows Cleburne and Houston Heights tying 0-0 for the State Championship in 1920.

The first approved playoff was in 1921 with two classifications, A and B. Class A schools were schools having 600 or more white scholastics in a district. All others were Class B.

After District and County play ended, Class A and B schools merged for the state playoffs.

The early football plan called for not more than six games and no less than four games in determining a district championship. Unless otherwise agreed upon, the referee and headlinesman were selected by the home school, and the umpire was selected by the visiting team.

PIPER PENNANTS ON SALE--Officers of the ex-students are preparing the bright green Piper pennants to be sold by the association. Here Mrs. Robert Fowler, president, is being assisted by, left to right, O. H. Weaver, Tommy Robertson, her son Mark, and Mrs. David Wade. The pennants are available in several businesses in town and at Reynolds Drug, Homecoming headquarters. They will also be sold at football games.

Punt, Pass and Kick Clinic Set Here Saturday By FFA, Council

In order to help boys sharpen their punting, passing and kicking skills for the ninth annual Punt, Pass and Kick Competition to be held Oct. 11—a special pre-competition football clinic will be conducted by members of the Hamlin FFA Chapter and Hamlin High School Student Council.

The clinic will feature instruction in all the elements which will be used to determine PP&K winners. It will be held on Oct. 4 at Piper Stadium.

The following schedule will be followed:
9:30-10 a.m. 8 to 11 yr. olds.
10:10-30 a.m. 9 to 12 yr. olds
10:30-11 a.m. 10 to 13 yr. olds

"Punt, Pass and Kick is a worthwhile program," said Mr. Milburn Wink, "and I feel privileged to do whatever I can to help. At the clinic, we'll explain the rules and give demonstrations on how they can get distance and accuracy in their punting, passing and kicking."

Mr. Wink urges all boys between the ages of 8 and 13 to come to the clinic—even if they are not registered. He believes they will see for themselves how much fun PP&K really is. The deadline for PP&K registrations is Oct. 10. Contestants must be accompanied by a parent when they register at Connally Ford Sales.

Jay Cunningham Receives CPA Certificate

Jay Thomas Cunningham of Ft. Worth was one of 28 area Ft. Worth residents who received certificates to practice as Certified Public Accountants at a meeting last week at the Blackstone Hotel.

Cunningham, a 1957 graduate of Hamlin High School, received a BBA degree from Texas Tech in 1962. He is married to the former Carol Dalby of Ft. Worth and they have 2 children, Melinda and Mark.

He will continue to be associated with Allen Crowley CPA, in the Continental Life Building.

Gil Lain Elected To Council Office

Gil Lain, freshman agriculture major and ministerial student at Hardin-Simmons University was elected vice president of the freshman council of the Baptist Student Union.

A spring graduate of Hamlin High School, he is the son of Mr. and Mrs. Dale Lain.

There is no cost, nor is a purchase required of any boy, parent or sponsor to enter or compete.

Each boy will compete in three categories, punting, passing and kicking (using a kicking tee).

Sneakers (tennis shoes) are recommended for all competitions and are required for District, Area, Division and Final Competitions. No special footwear such as football shoes and boots can be worn in any level of competition. Also, no barefoot kicking or punting is permitted.

Boys participating in the school football program are ineligible.

Rep. Grant Jones To Serve On House Interim Committee

AUSTIN — Speaker of the House of Representatives Gus Mutscher, today announced the appointment of Representative Grant Jones of Abilene as a member of the House General Investigation Committee, an interim group created by HSR 38 adopted by the 61st Legislature during the regular session earlier this year.

Representative Jones, who is in the insurance business, is chairman of the House standing committee on Claims, and is a member of standing committees on Constitutional Amendments, Higher Education, Insurance, and State Affairs. He is now serving his third term as a member of the House of Representatives.

The House General Investigating Committee was given full authority by the creating resolution to initiate and continue any and all inquiries and hearings into matters pertaining to state government, including all of its units and personnel. The Texas Legislative Council, the State Auditor's Department, the Department of Public Safety, the Attorney General's Department, and other state departments when needed, are requested to give full cooperation to the committee.

In making the appointment, Speaker Mutscher said: "Representative Jones has demonstrated his outstanding leadership qualities and his deep interest in good government time after time. The State of Texas is indeed fortunate to have men like Representative Jones who are willing to give their time to serve on this important interim committee."

Mr. and Mrs. Herman E. Sharer visited in Brownwood, Stephenville and Ft. Worth last week.

A & M Soil, Crop Students To Tour County Oct. 9

A group of soil and crop science students, along with their professors from the Department of Soil and Crop Science at Texas A & M University, will visit with County Agent Kirby Clayton on Thursday, October 9th, to observe demonstration work being done in Jones County on soil and crop science.

The group will arrive Wednesday evening and spend all day Thursday observing crop variety and fertility demonstrations, a system of parallel terraces, feedlot operation, ranching operation, grain elevator swine feeding center and a registered Hereford cattle operation.

The tour, says Clayton, is part of the regular training of young A & M University students in the field of crop sciences and is designed to give practical training to students in the field.

Dr. Murray Milford and Dr. Clarence Carter, Professors of Soil and Crop Science, will accompany the group to Jones County.

Deadline On Mail For Overseas Servicemen Set

The following periods have been designated for mailing Christmas parcels to members of the Armed Forces overseas:

- (1) Surface Transportation — Oct. 13 to Nov. 8
- (2) SAM (Special Available Parcel Airlift — Limit 5 lbs.) Oct. 20 to Nov. 22
- (3) PAL — October 27 to November 29 (Limit 30 lbs.)
- (4) Airmail — December 1 to December 13.

The term "Armed Forces Overseas" includes personnel of the Armed Forces, members of their families, and U. S. civilians employed overseas who receive their mail through an APO or FPO, New York, San Francisco, or Seattle.

Be sure to use heavy wrapping material and strong cord. Address must be legible and complete — use either type writer or pen and ink. Some items are prohibited — check with your post office. Always include a slip showing list of contents and name and address of both the sender and addressee.

Your local post office employees will be glad to answer any questions you may have concerning your Christmas mailings.

Mr. and Mrs. Oddis Hallmark of Phoenix, Ariz., visited here with her sister, Inez Helms. They were accompanied here by their son and family, Mr. and Mrs. Billy Wayne Hallmark, Shelly and Holly of Odessa.

Pipers to Meet Merkel In District Opener Fri.

The Pied Pipers will open District 7-AA warfare Friday night when they travel to Merkel to meet the Badgers. Both teams scored impressive victories last week with Merkel defeating Aspermont 19-3 and Hamlin whipping Cisco 26-0.

Reserved seats for Friday night's game are now on sale in all three Hamlin Drug Stores and at the High School.

The Pipers came out of their contest with Cisco in good physical shape but are expected to still be short two players who are out with knee injuries, Gary Smith and Greg Perrin.

The Piper Scout, Robert Brandon, told the Booster Club Monday night that both they and the team had better be thinking about Merkel first before they start worrying about some of the other district foes further down the line.

He said that Merkel had as good a team as they had last year when they beat us 27-7.

Mary Hood of Abilene to Present P-TA Program

The Hamlin Elementary Parent-Teachers Association will meet today, Oct. 2, at 4 p.m. for a program by Mary Hood of the Special Education Center in Abilene.

Theme for the meeting in the primary cafeteria will be "How is Your Emotional Health?"

Mrs. Jerry Williams, president, will preside. Awards for the membership drive will be given and plans for the forthcoming magazine drive Oct. 10-20 and the workshop to be held here Oct. 21 will be given.

Pied Piper Farms had the grand champion bull at the East Texas Fair at Tyler which later sold for \$1,500.

The Badgers run from the Wing "T" and the "I" formations and use the Split Six on defense most of the time.

The Badgers are not a passing team and rely heavily on the running of Tailback Tommy Anderson who is a fine back and a breakaway threat. Starting for the Badgers

JUNIOR HIGH TEAMS BLANK ROTAN TUESDAY

The Hamlin Junior High School seventh and eighth grade teams shut out their counterparts at Rotan Tuesday evening.

The seventh grade won 20-0 for their third consecutive win of the season. The eighth grade won 22-0 and is also unscathed upon.

Tuesday the local teams will play host to the Haskell Junior High teams. The seventh grade game is scheduled to start at 5:30 and the eighth grade game at 7.

in the line will be Pandy Smith 133, and Larry Hewitt, 135, at ends; Monty Tittle, 163, and Buster Tarply, 174, at tackles; Eddie Merrell, 216, and Paul Thames, 172, at guards; and Kerry Thames, 156, at center.

Running with Anderson, 160, in the backfield will be Bill Whisenhunt, 164, at quarterback; Terry Wade, 130, at fullback; and Don Purser, 142, at wingback.

Other District 7-AA action pits Anson at Winters, Coleman at Ballinger, and Haskell at Stamford.

B Team to Host Wylie B Tonight

The Piper B Team will host the Wylie B here tonight (Thursday) at 7:30 in a game re-scheduled from Sept. 18 because of rain.

The seventh and eighth grade Junior High teams will host Haskell here Tuesday with the first game starting at 5:30.

Letter to Editor—

Booster Club Head Urges Fans To Show More Spirit At Games

Dear Editor:

I would like to comment on our fans lack of enthusiasm recently witnessed at our first home game with Cisco. Those boys who participate in football put in a lot of hard hours in practice and preparation. Yet, they can play even better when they know they are supported by the spectators.

Why do Hamlin people go to see these ball games if they are not interested enough to cheer a good play, first down, or when a score is made?

Our football boys played a

very good game last Friday night; but even with the scores, there was hardly any cheering that the boys in the field could hear.

Next Friday night we play Merkel, I'd like to see those grandstands over there full of people who are proud of our team — proud enough to let the boys hear you cheer down on the field. Let them know you are behind them all the way!

Sincerely,
H. L. Ford
Booster Club President
Hamlin, Texas

TO THE TREE TOP--A zucchini squash vine at the home of Mr. and Mrs. Mack Sellers, 114 Northwest Ave. F, is growing to the top of a mesquite tree. Their daughter, Tracy Blanton, left, and a neighbor friend, Suellen Waggoner, show the size of the crop from the vine. To pick the squash, Sellers has to use an iron pipe to break the vegetables from the vine. The vine is also growing through the bird house and over the fence into the hedge in the front yard.

Pipers Whip Loboes, 26-0

Playing before their first home crowd of the season Friday night the Pied Pipers put on a strong defensive show and scored in every quarter to whip the Cisco Loboes, 26-0. It was in the third quarter before the Loboes could put together enough offense to make a first down.

HALFBACK ROBERT BOLDEN . . . picks up yardage on a sweep

TAILBACK SPENCER FORD . . . picks up extra yardage

double thrill in the second half as he broke loose for two touchdowns on runs of 63 and 67 yards.

On defense, the entire Piper team played tough as they held a big fast Lobo team in check. Leading the defensive charge were linebackers Jerry Braley and Don Bockmon, and defensive end Charlie Sellers. Also coming up strong

from their defensive backfield positions were Bolden and Spencer Ford.

Bolden opened up the game with a 33-yard return of the kickoff, but the Pipers failed to make a first and gave up the ball on the Lobo 36. Halfback Duane Stewart recovered a Lobo fumble on first down to give the Pipers the ball back on the Cisco 35.

Ford carried three times for eight yards and Bolden gained the first down on a seven-yard carry. Ford carried for one. Cisco rew a 5-yard penalty. Ford added one more, and Bolden carried for gains of two and two for a first down on the eight. Quarterback Charlie Shira bootlegged the ball around his right end for the score on a play that left the Loboes looking for the ball. Stewart split the up-rights for the point after.

Early in the second period Safety Bobby McKissack returned a Lobo punt 33 yards

to the Cisco 35-yard line to set up the second Piper score. Ford and Bolden shared ball carrying chores as the Pipers moved down to the Cisco 10. Shira carried to the four and Ford to the one. Shira ran the quarterback sneak for the score. Stewart kicked the point after again.

With a 14-point lead, the Pipers played mostly defense in the second half with the exception of Bolden's two big runs. Midway in the third period, Bolden hit into the right side of the line and broke over to the left and outraced the Lobo defenders to the goal. The run covered 63 yards with Bolden scoring standing up. Stewart's point after failed.

The Loboes drove down to the Hamlin 30-yard line for their deepest penetration of the night as the third period ended. Taking over on the 30, the Pipers ran two plays and then broke Bolden open again for a 67-yard touchdown run. The point after failed again and the Pipers owned a 26-0 lead.

The ball changed hands several times before the game ended with neither team threatening to score.

Bolden was the top ball carrier with 152 yards in 16 carries. Ford carried 19 times for 53 yards and Shira 8 times for 28 yards.

Hamlin High Happenings

The Pipers launched the Cisco Lobos far off into space with a 26-0 victory Friday night during the first home game of the season. Charlie Shira made the first two touchdowns which came in the first half of the game and Robert Bolden made the other two touchdowns after the half. The extra points were kicked by Duane Stewart. The journey to Merkel tomorrow to "Bench" the Badgers. Go to the game and back the Pipers.

Band members proudly displayed their new uniforms for the first time on their home field Friday night. The new green and white uniforms added much to the enthusiasm as well as the appearance of the band. After the half-time show the band formed a spirited victory line for the boys as they ran back on the field.

Seniors got their first taste of concession stand work last week with several games played on our home field. Money earned in the concession stand will be used to help fi-

nance the senior trip next spring.

hhs

The 1969-70 Student Council of Hamlin High held their first meeting last Monday in the high school cafeteria. Gary Smith, president, presided. Plans for the district convention to be held in Abilene were discussed. The Hamlin council which is vice president of the district is in charge of arranging discussion groups for the convention.

Plans for Twirp Week were also made.

The Council decided that Twirp Week will be October 5-11. Twirp licenses may be obtained from any Student Council member for 15c. Any girl caught dating without a license will be fined.

hhs

Annual sales are underway at H. H. S. Deadline for buying an annual is October 3. The price is \$5.00 for the annual, plus 75c for the student's name to be engraved on the cover. Annuals may be purchased from any member of the annual staff.

NEWS FROM . . .

Old Glory

By JUDY WHITE

Variety Club

The Old Glory Variety Club met Tuesday of last week in the home of Mrs. Lynn Flowers. The seven members present were: Mmes. G. F. Spitzer, Charlie Letz, Katie Gerloff, W. G. Wienke, Bill Wright, Beno Herttenberger and the hostess. Games of "84" were played.

About thirty people enjoyed a hayride and weiner roast at the H. L. Boles place last Saturday night. They were young people and several adults from Sweet Home Baptist Church and a number of friends. After a delightful evening of playing games Mr. and Mrs. Boles treated the group with several freezers of homemade ice cream.

Mrs. Thomas Letz and Brian of Graham spent last week here visiting her parents Mr. and Mrs. C. T. Pierce, and also visited with his parents, Mr. and Mrs. Charlie Letz. Thomas also spent the weekend here and then they returned home with him.

Mr. and Mrs. Tim Jennings have returned to their home in Utah. Mrs. Jennings and the children spent three weeks here with their parents, Mr. and Mrs. T. W. Jennings, while her husband attended a special school in Houston.

Marvin Letz, his son Freddy and a friend of Haskell spent last Sunday here with his parents Mr. and Mrs. Herman Letz. Marvin Letz is in Austin with their daughter and husband, Mr. and Mrs. Mike Parker. The Parkers are parents of a new baby girl.

Dinner guests in the home of Mr. and Mrs. Lynn Flowers last Sunday night were Mr. and Mrs. Floyd Davis of Abilene.

Mr. and Mrs. Ted Jennings

and children of Aspermont attended church here Sunday morning and visited his parents Mr. and Mrs. T. W. Jennings.

Mr. and Mrs. Jimmy Cox and children and Mr. and Mrs. A. B. Cox spent last weekend in Lubbock.

G. L. Nehring of Haskell, a resident of this community for a number of years, has been ill and is a patient in the Haskell Hospital. Latest reports are that he is doing much better.

Mr. and Mrs. Adelbert Suter accompanied their daughter and family, the John McCowans of Knox City, to Abilene recently where they visited their granddaughter and husband, Mr. and Mrs. Mike Wyatt.

Ivin Martin Buys Fiberglass Co.

Ivin Martin, owner of Martin Butane Co. of Rotan and Roby, has recently purchased the Fiberglass Manufacturing Co. in Roby. Mr. Martin states that the company is expanding their line of fiberglass products to include Stock troughs, salt feeders, automatic watering troughs, complete hose and cattle trailer shells, farm buildings, Dune Buggy bodies and tops, chairs, and many other molded and custom items.

Visitors in the home of Mr. and Mrs. Bill Adair over the weekend were Mr. and Mrs. Belton Bailey, Cindy and Chuck of Dallas, Mr. and Mrs. Earnest Howington of Sweetwater, Mr. and Mrs. J. L. Woodson of Stamford, Mr. and Mrs. Glenn Adair and Carla, Steve Teichelman, Laura Tucker, Mr. and Mrs. Jack Wicker, Suzanne and Tina, all of Hamlin.

Woman's Forum Hears Harden Library Report

Fifteen women were present for the quarterly business meeting of the Hamlin Woman's Forum Monday evening at Harden Memorial Library.

Mrs. Floyd Clifton, president, presided.

Reports of officers and standing committees were made. Mrs. R. D. Moore was elected to first vice president.

Mrs. V. E. Holt, librarian and chairman of the library committee reported on the workshop that she and Mrs. Floyd Hallmark attended at Snyder. She mentioned that the swap shelf for paperbacks was started after this meeting and was very popular. Paperbacks are traded on a one for one basis.

She also reported that 1150 books had been checked out from Jan. 1 to Sept. 1 with 63 out at this time. Thirty new books had been added and some 200 books are on loan through Texas Library Services.

Mrs. Holt also mentioned the summer reading program which included 39 children participating, reading a total of 228 books. Eight youngsters received a certificate after reading 12 books.

She also explained that Abilene Public Library is the major resource center for Hamlin and books necessary for research that are not available locally may be secured promptly from this source when necessary.

Following a visit from a state library representative, Mrs. Holt noted, it was stressed that the local library was lacking in non-fiction or reference books.

Mrs. Kenneth Riddle presented for consideration of the Forum the possibility of securing encyclopedias for the library. Each president or

representative is to present the idea to their respective clubs to see if this might become a project.

Mrs. Bob Craig reported on the summer reading program conducted by the Woman's Literary Club during the month of July. She also told of the brief review of books being printed in the Hamlin Herald. As program chairman, Mrs. Craig presented the yearbooks.

Attending were Mmes. M. L. Smith, O. G. Harvey, Mac Reid, Ewell Mackey, Holt, Hallmark, L. H. McBride, L. C. Bonds, Horace Driver, Vernon Johnson, Othel Sipe, Craig, Melvin Scott, Riddle and Clifton.

Ruth Class Meets In Mrs. Haight's Home Tuesday

Ruth Sunday School Class of North Central Avenue Baptist Church met in the home of Mrs. M. L. Haight Tuesday.

Taking part on the program were Mrs. Haight, Mrs. O. R. Stewart, Mrs. Newell King and Mrs. G. B. Phillips.

The group voted to change the meeting time to the last Wednesday of each month. Mrs. Haight was elected class mother. Thirteen members were present.

Attend P-TA Planning Session

Attending the P-TA planning session in Snyder last Wednesday were Mrs. Jerry Williams, P-TA president, Mrs. Donald Young and Mrs. Don Davis.

Plans were made for the workshop to be held in Hamlin Oct. 21 in First Baptist Church.

MRS. MAC REID
... District VII director
Mrs. Mac Reid Named District VII B&PW Director

Mrs. Mac Reid, president of Hamlin Business and Professional Woman's Club, was named new director of District VII of Business and Professional Woman's Club Inc. at a two-day district conference at the Holiday Inn in Sweetwater.

Attending from Hamlin were Mmes. W. B. Britton, O. G. Harvey, Reid and Kenneth Riddle.

The Hamlin club participated in the 1919 style show and skit contest Saturday evening. Mrs. Reid and Mrs. Riddle attended the workshops Sunday.

The district includes clubs in Brady, Colorado City, Stamford, Brownwood, Snyder, Sweetwater and Abilene. Eighty-five area club members were registered. The Sweetwater Club hosted the event.

Panel to Present FHA Program Monday Evening

A panel of Future Homemakers of America and mothers will present the program Monday evening at 7 p.m. in the high school cafeteria. A salad supper will be served.

Theme for the discussion will be "Speak Out — Stable Life — Stable Home." All FHA members are invited.

Literary Club To Open Year With Luncheon

Members of the Woman's Literary Club will open the new year with the president's luncheon Friday at 1 p.m. at the 66 Sirloin Restaurant in Anson. Guest speaker will be Mrs. A. J. Smith of Anson, vice president of Mesquite District.

Mrs. Jackie Williams, second vice president, will be program director and distribute yearbooks. Hostesses will be the yearbook committee which includes Mrs. Williams, Mrs. Virgil Steele, Mrs. Bob Craig and Mrs. James Eddie Jay.

Mrs. Horace Driver Hosts McBride Circle Meeting

The McBride Circle, WSCS, met in the home of Mrs. Horace Driver last Wednesday morning.

Mrs. Robert Wilson introduced the new study, "The Greatest Thing in the World" by Henry Drummond.

Attending were Mmes. Parker Kelly, James Harrison, Jerry Waggoner, Don Pylon, Dan Fuschack, Marvin Ritcher, Charles Hilburn and Bob Murff.

The next meeting will be at 9:30 a.m. Oct. 29 in the home of Mrs. Waggoner.

Tonda Camp Fire Girls Meet Friday

The Tonda Camp Fire Girls met Friday afternoon for the girls to choose their Camp Fire names.

The group learned the Camp Fire Law and the Camp Fire hand sign beginning work on the ten requirements to earn the Trail Seeker's Rank.

Present were Jaye Wright, Tracy Offield, Jamie Crowley, Mary Ann Pritchard, Pam Pritchard, Gail Hertel, Patti Williams, Diane Jay, Julie Jeffrey, and Darena Wheat.

Garden Club To Meet Oct. 9

The Hamlin-Garden-Club will meet Thursday, Oct. 9, at 2 p.m. in the home of Mrs. Horace Driver.

The program topic will be "Update Your Garden."

GONE WITH THE WIND

by Margaret Mitchell

Heralded by readers everywhere as The Great American Novel, this magnificent book has become a classic since its publication in 1936. A superb piece of storytelling, it brings the drama of the Civil War and Reconstruction vividly to life; it explores the depths of human passions with an intensity as bold as its setting in the bluff red hills of Georgia.

This is the tale of Scarlett O'Hara, the spoiled ruthless daughter of a wealthy plantation owner, who arrives as young womanhood just in time to see the Civil War sweep away the life for which her upbringing has prepared her. After the fall of Atlanta she returns to the plantation and by stubborn shrewdness saves her home both from Sherman and the carpet baggers. But in the process she hardens. She has neared starvation and she vows never to be hungry again.

In these vivid pages live the unforgettable people who have captured the attention of millions of readers — of every age, in every walk of life. Here are Rhett Butler, Scarlett's counterpart, a professional scoundrel as courageous as Scarlett herself; Melanie Wilkes, a loyal friend and true gentlewoman; and Ashley Wilkes for whom the world ended at Appomattox. Here are all the characters and memorable episodes that made

Gone with the Wind a book to read and re-read and remember forever.

HOW THE DOCTORS DIET

by Peter and Barbara Wyden

To write this authoritative book on dieting, Peter and Barbara Wyden asked eighty-nine leading doctors to describe how they keep fit.

"Don't tell us what you want us to do," they said. "Tell us what you do yourselves, and what your families do, to get trim and stay that way." The results of this study prove that the best-informed physicians and nutritionists truly practice what they preach — and that their loved ones do likewise.

Over the years these doctors have made substantial changes in their living habits — the foods they eat, what they drink, how much they smoke, and how much they work and sleep. They've made these changes for the same reasons you will — because they want to be healthier and live longer.

In this unprecedented approach to dieting — scientifically correct, yet very personal — you will find dietary advice that you can believe in and a new plan for living that you will want to follow.

IBERIA

Spanish Travels and Reflections

by James A. Michener

Since his first glimpse of it in 1932, Mr. Michener has returned to Spain many times, often for long visits, and his

extensive travel and deep study there have given him abundantly the knowledge and insight on which to base this monumental book that he has for so long wanted to write. He has called it "a nineteenth-century English-style travel book with much personal observations, much reflection and much affection" — an accurate characterization as far as it goes; one reads the book in the leisurely, pleasant way such a description suggests. It is informal, discursive, anecdotal, and highly entertaining; it contains many vivid accounts of the author's as well as other people's adventures, told as a master storyteller tells them. But when one has finished reading in that agreeable way, one has been exposed to — and hopefully, absorbed — a wealth of information about Spain from prehistoric times to the present day.

"Iberia" is a remarkable achievement and could have been written by no one but the author of "Hawaii" and "The Source," by which it deserves to stand, and with them will stand, for a long time to come.

Photographs are by Robert Vavra.

Mr. and Mrs. Robert Flores are parents of a boy, Rickey, born Sept. 26, at 11:03 p.m. He weighed 7 lbs. 7 oz.

Annual WMU Meeting Set Oct. 9

The Annual WMU meeting will be held Thursday, Oct. 9, in the First Baptist Church at 10 a.m.

Mrs. B. F. Neely, president, will preside. New officers will be elected. A covered dish luncheon will be served.

Mrs. Ed Boaz Gives Xi Gamma Pi Program Sept. 25

Xi Gamma Pi chapter of Beta Sigma Phi met in the home of Mrs. Gerald Young Sept. 25. Mrs. Ed Boaz gave the program on "The Saying of Things."

Mrs. E. D. Perrin presided.

Others present were Mmes. Jerry Waggoner, Howard Me-haffey, John C. Bryant, C. W. Griggs, Holly Toler, Arlie Cassle, E. J. Hawkins, W. T. Johnson and Leroy Smith.

The next meeting will be in the home of Mrs. Jerry Waggoner.

BRIDGE WINNERS

Mrs. Jack Russell and Mrs. Dale Lain were first place winners at the Tuesday evening meeting of Hamlin Duplicate Bridge Club. Placing second were Mrs. Holly Toler and Mrs. G. W. Comegys, Mr. and Mrs. Henry Albritton third.

4 3/4% A Year
Passbook Savings

MINIMUM TIME AND AMOUNT

Passbook accounts may be opened for as little as \$5.00 at any time.

ADDITIONS

Additions may be made at any time in any amount. The passbook provides a complete record of transactions and is a flexible and convenient method for regular and systematic savings. Savings received through the 10th of each month earn from the 1st of the month. Savings received after the 10th of each month earn from the 1st of the following month.

WITHDRAWALS

Withdrawals may be made at any time in any amount. Dividends are determined on the remaining balance. Funds added to the account last are withdrawn first.

DIVIDEND PAYMENT

Dividends are compounded quarterly (March 31, June 30, September 30, and December 31). Savings compounded quarterly for one year at 4 3/4% a year will yield 4.83%.

Dividends may be automatically mailed quarterly, semi-annually, or annually when requested.

SAFETY OF YOUR SAVINGS

The safety of your Certificate and Passbook savings with Stamford Federal is backed by 35 years of uninterrupted dividends... plus savings are insured up to \$15,000 by the Federal Savings and Loan Insurance Corporation.

5 1/4% A Year
Savings Certificates

MINIMUM TIME AND AMOUNT

Certificates are issued for at least a six month period, for a minimum of \$10,000.

AUTOMATIC RENEWAL

Certificates are automatically renewed for additional six month periods. Certificate owners will be notified on changes thirty days in advance of the maturity date.

ADDITIONS

During the ten day period following maturity, existing certificates may be reissued to include additional amounts. As long as a customer holds a certificate of \$10,000 or more, additional certificates can be issued to earn the current dividend rate for certificates. Such certificates must be issued in identically the same name(s).

WITHDRAWALS AND REDEMPTION

Withdrawals may be made as needed; however, the original certificate must be surrendered and a new certificate will be issued after each withdrawal. When the balance is below \$10,000 the funds will be transferred to a passbook account. For redemption in full or transfer, certificates should be signed on the reverse side and submitted in person or by mail for cancellation.

Dividends credited to a certificate may be withdrawn at any time without affecting the existing certificate.

Withdrawal of funds other than dividends prior to the maturity date will cause a small adjustment on the account. The adjustment is a reduction in earnings (to 4 3/4% a year of dividends already paid at 5 1/4% a year) on funds withdrawn before maturity.

DIVIDEND PAYMENT

Dividends are payable or compounded quarterly in one of the following manners: (1) Dividends may be added to your certificate account and compounded at the rate of 5.25% a year, which yields 5.35% a year; (2) Dividends may be added to a flexible passbook account and compounded; (3) Dividend checks may be automatically mailed. Dividends are paid on quarterly dividend payment dates.

Certificates purchased through the 10th of each month earn from the 1st of the month.

Neinda Philosopher Brings Up A Problem Facing Big Cities Much Too Awful to Contemplate

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One seems to start out on one problem and wind up on another this week, but that's his problem.

Dear editor:

According to an article in a news paper I found yesterday in a weed patch while I was hunting for a hoe I know I put there either the past spring or the one before, an expert in business management has come out with a plan to eliminate the traffic congestion in big cities, a problem which is about to choke the cities to death.

His idea is to establish a three-day work week. One shift works three 10-hour days in a plant, the other then takes over and works three more 10-hour days, thus giving everybody a four-day week-end.

The way traffic would be cut down, he explained, is that nobody would live in the city. Everybody would have a home in the country, as much as 350 miles away, and drive in for his three days of work, spending two nights in a rented room, which means he's going to have to get up mighty early the first morning to get there on time if he's 350 miles away.

This expert doesn't say, with everybody living off himself a few hundred miles from his job, where he's going to put the schools. This may be a major hitch because, not thinking far enough ahead, most rural areas have now torn down their one-teacher school buildings. I argued against it at the time.

I was checking under my house out here on this Johnson grass farm the other day and discovered that the water pipes have, after 25 years, begun to rust out and will have to be replaced.

Have you ever stopped to think what a city the size of

Local Youth to Training School

A 15-year old Hamlin High School student was declared to be a juvenile delinquent in a hearing before County Judge Leon Thurman in Anson.

The youth had been charged with malicious mischief, burglary and assault. The boy's mother testified that she could not control him.

He was ordered placed in the custody of the Texas Youth Council until he is 21 years old. He will remain in the Juvenile Ward of County Jail pending transportation to the State Training School for Boys at Gatesville.

New York is going to do when it finds out its water pipes have rusted out and the entire plumbing system will have to be replaced?

There are some problems in this life too awful to contemplate.

Yours faithfully,
J. A.

As It Looks From Here . . .

Omar Burleson, M. C.
17th District, Texas

WASHINGTON, D. C. — The decision of the Supreme Court in 1962, banning the use of prescribed prayer by the New York State Board of Regents, continues to be subject to interpretation in its application.

There is no question that the court said in this particular case, that an official body at any level of government, could not prescribe a set prayer or scriptural reading. This, coupled with the assumption that the attendance of students was compulsory, was the basis of that decision.

The question immediately arose, and remains undetermined in spite of subsequent cases, as to whether the New York case became "the law of the land" or just the law in the particular case. Does it prohibit any sort or kind of religious practice in public schools established by custom and tradition in the particular community?

The opinions and threats of Mrs. Madalyn Murray O'Hair notwithstanding, there appears to be a number of plans which may keep her and the Courts busy, if they decide to bring more suits.

In 1963, following the New York case, the Supreme Court again ruled that Pennsylvania and Maryland could not constitutionally REQUIRE reading of verses from the Bible and recitation of the Lord's Prayer in public schools. In the New York case the key word seems to be "prescribed."

In the latter cases the word "require" appears determining. The elimination of these two factors should satisfy the Courts.

A school committee in Leyden, Massachusetts, has developed a plan, believed by those giving careful study to the issue, to overcome the legal technicalities raised in the above mentioned cases.

Essentially the plan provides that on each school day, before classes begin, a period of five minutes shall be available to those teachers and students who may wish to participate voluntarily in the free exercise of religion as guaranteed by our Constitution. The

plan specifically states that "This freedom of religion shall not be expressed in any way which will interfere with another's rights."

Under such an arrangement it would seem exceedingly unlikely that a reasonable mind could find legal fault. It will not please the Mrs. O'Hairs and those who wish to deny students and teachers the opportunity of even recognizing the existence of a Divine Being. Mrs. O'Hair and her kind want the Astronauts, who read scriptures in space, to be censured. It is suggested that no one become too exercised that anything of the sort will be done — anymore than the historic practice of opening each Session of the Congress with prayer will be abandoned. Neither will the motto "In God we Trust" be removed from the National Halls nor from our money.

Back to the "Leyden Plan" either the teacher or the pupils may offer the prayer. Those who do not wish to take part will be allowed to leave. The Committee which offered this solution makes it perfectly clear that non-participation shall not be evidence of non-religion. The program is not to be supervised, controlled or directed by any religious group and students and parents will be notified that whatever is done is non-compulsory. All that is being done in the school system is providing the time and place for the conduct of a brief period of prayer and devotion.

If the word "prescribed" in the New York case and the words "require" in the Pennsylvania and Maryland cases, hold legal logic then let the objectors challenge the words "voluntarily" and "freedom of worship" in the "Leyden Plan."

Sunday guests in the home of Mrs. J. C. Bessire were her children, Mrs. Kenneth Faught and son Michael, Mr. and Mrs. Thelbert Ivy of California, Mr. and Mrs. Roy Harrick of Tahoka, Mr. and Mrs. Jack Bessire and son, Gregg, Mr. and Mrs. Ira Green, and her mother, Mrs. Holden, all of Hamlin.

RECEIVES AWARD—W. A. Cassle, Hamlin Lions Club president, receives the Top Texas Distinguished Club Award for the local club at the Zone Meeting held in Aspermont Monday evening. Attending the meeting were Lions from Anson, Stamford, Rule, Aspermont and Hamlin.

AUSTIN, — Will legislative redistricting force another special session of the legislature this year?

Nobody knows for sure, although rumors have been hot on the subject. Observers, including Gov. Preston Smith, have indicated they doubt reapportionment will demand emergency attention of the lawmakers.

Issue is before a three-judge federal court in Houston. Plaintiffs claim that population variance of 244 per cent between smallest and largest Texas legislative districts is discriminatory. They argue that big city House members should run by individuals districts, not county-wide.

Court, in spite of some reports to the contrary, has not scheduled the case for hearing.

An Indiana case involving the validity of multi-member legislative districts is on appeal to the U. S. Supreme Court.

Governor Smith recently noted that 1970 census figures will be available in less than a year and that the new head count will provide a more reasonable basis for reapportionment than the 10-year-old census.

Filing deadline for legislative candidates is next February. So if the court is going to order immediate redistricting to affect 1970 elections, it is presumed that the decision would be handed down well before the end of this year.

Naturally the longer the court delays its decision, the closer looms the new census tabulation.

INSURANCE RAISE LIKELY — A quick decision of the State Insurance Board is expected to jack up auto insurance premiums at least 9.9 per cent.

That, in effect, was the recommendation of the governor's study committee on rates. Board originally proposed an 11.4 per cent boost. Industry wanted 5.6 per cent more than that.

A last-minute flurry of controversy raised the question as to whether the committee had been misled by exaggerated statistics on auto accidents.

Also in controversy was insurance agents' commissions. Committee recommended 18 per cent, which Chairman Price Daniel specified as "average."

F. Darby Hammond, executive director of Southwestern Insurance Information Service, released a blistering attack on the committee's report. He called it not only an insult to auto insurance companies but a disservice to the insurance buying public. "There is no way," said Hammond, "that forcing companies to continue operations in the red will not eventually harm the public."

As to statistics, Hammond says that the Insurance Board does not use Department of Public Safety figures as the basis for determining costs. It uses claims paid. DPS doesn't get reports on all accidents.

Committee has no control over what the agents receive as their commission, Hammond pointed out.

SCHOOL MONEY — Texas school board members have been hit hard in making budgets this fall, when the major

part of the teacher pay raise package takes effect.

Local share of the teacher pay raises — 20 per cent — must come out of local tax revenues on property, the only source of local school funds. Texas Association of School Boards, meeting in Austin, has asked for help.

A resolution adopted at the meeting requested the Texas Education Agency to make a study as to other ways in which school districts might raise money for the local share of school operations.

SAFE DRIVING — Governor Smith says the Federal government has given the state \$1 million to help finance the State-wide Driver Education Project. Governor's Traffic Safety Fund is providing a \$1.8 million for support of the program and the school districts are contributing \$4.5 million toward the remaining costs.

Smith said "last year, we reached only 36 per cent of the eligible students, but I hope that with the acceleration of the program this percentage will increase until all eligible students receive this training."

CITY SALES TAX — City sales tax allocations, made by State Comptroller Robert S. Calvert, show substantial gains over the same quarter of a year ago. Cities with the tax, including 185 new ones from a year ago, received \$27.9 million compared to the \$20.8 million for the period ending June 30, 1968.

Biggest receipts were by

Houston (\$6.2 million), Dallas (\$5 million), San Antonio (\$2.1 million) and Fort Worth (\$1.8 million). Income to these four cities represents well over half the state's total.

COTTON FARMS — Agriculture Commissioner John White says that Texas cotton exports "are in trouble" and urged cotton farmers to support new production and marketing techniques in attacking problems that plague the cotton farmer.

White blamed a good part of cotton's ills on "the mechanics of our support price system which has unwittingly allowed foreign competitors to undercut our prices a fraction of a cent in the world markets."

YOUTH EMPLOYMENT — Texas Employment Commission says 67,120 youths were hired during the 1969 Youth Opportunity Campaign in Texas, March 26-August 25.

Several years ago a summer campaign was instituted for in-school youth in the 16-

22 age bracket — youngsters who either need work only during school vacations, or were out-of-school and wanted to work the year around.

There were more youth than summer jobs. TEC reports that 152,374 made new applications for jobs at TEC offices over the state.

CRIME FIGHT FUNDS ALLOCATED — Criminal Justice Council of the governor's office recommended allocation of \$165,688 in Federal funds, to be matched by state and local agencies, to fight major crimes.

Total of \$416,188 has now been disbursed from nearly \$1.1 million granted Texas under the Omnibus Crime Control and Safe Streets Act of 1968.

Programs approved were proposed by the Texas Department of Public Safety (for updating criminal records); Texas Commission on Law Enforcement Standards and Education (for police education and training);

Alvin G. Lakey Serving In Hawaii

Aviation Machinist Mate Second Class Alvin G. Lakey, USN, son of Mr. Perry B. Lakey of Route 2, Hamlin, is serving with Fleet Tactical Support Squadron 21 at the U. S. Naval Air Station, Barbers Point, Hawaii.

The primary duty of the squadron is to fly men and material throughout the Western Pacific, including South Vietnam.

Weekend events should be reported to the Herald by noon Monday.

FROM THE FILES . . .

FORTY-FIVE YEARS AGO (October 3, 1924)

Playing with a brilliant offense and a defense that could not be penetrated, the Hamlin High School Pied Pipers completely outclassed their opponents from Colorado City and won the first foot ball game of the season by the score of 65 to 6.

The back field carried the ball for many long runs throughout the game and each man showed up well for this time in the season. In fact it just took Hamlin two minutes and 14 seconds to score, when M. Owens took the ball around end for sixty-five yards and the first score of the season. After this the boys scored at will. The first Half ended with the score standing at 47 to 0.

During the Second Half, Coach Hinton used his second team and they brought the total up to 65.

I am selling and delivering the old reliable Henrietta Lump Coal. If you need coal 'phone me at No. 15, or at my residence 161. O. E. Lawson

TWENTY YEARS AGO (September 30, 1949)

Brad Rowland of Hamlin ran wild, gaining 151 yards from scrimmage and scoring on a 56 yard run, as the McMurry College Indians blasted the West Texas Buffaloes in an upset, 34 to 7 in Canyon last Saturday night.

Plans for observance of Armistice Day November 11 were announced this week by the Hamlin posts of veterans of Foreign Wars and the American Legion.

Both posts will cooperate in a gigantic parade and memorial services on the morning of the day it was announced.

The parade will be led by the Hamlin High School band and pep squad B. V. Newberry, high school principal, said. All ex-service men and women have been invited to join the parade.

THE EAGLES SPEAK...

Another week has past and we are looking forward to six-weeks tests next week. It doesn't seem like school has been going on five weeks. Everyone will have to really study.

The Eagles added another victory to their list when they clawed the Paint Creek Pirates there Friday. The final score after the middle of the third quarter was 53-6. After the ball game the mothers sponsored a supper for the football boys and pep squad girls at the lakeside cabin of Mr. and Mrs. O. F. Hill.

This week we are going up against some pretty tough players when we meet Lueders-Avoca here at 8 p.m.

The FHA have elected their Mr. and Mrs. Jimmie Britten Pickens of Spur are parents of a girl, Dania Denise, born Sept. 29 at 10:22 p.m. She weighed 7 lbs. 6 oz.

Mr. and Mrs. Donald Wesley Jones of Anson are parents of a boy, James Wesley, born Sept. 27 at 3:20 a.m. He weighed 9 lbs. 9 1/2 oz.

Mr. and Mrs. Jesse Mendoza Jr. are parents of a boy, Jesse Mendoza III, born Sept. 25 at 9:55 a.m. He weighed 7 lbs. 10 oz.

Pointers emerge as the winners in virtually all of today's quail field trials open to all breeds.—SPORTS AFIELD.

Only 600 breeding pairs of the bald eagle are left in the United States (excluding Alaska).—SPORTS AFIELD.

Members of the Junior Girls Auxillary of the First Baptist Church met in the church building Monday afternoon for their weekly program.

Guests of the group were members of the Junior Royal Ambassadors, whose counselor was absent and the boys met with the girls organization.

Mrs. George York and Mrs. LaFoy Paterson, counselors, served sandwiches and soft drinks for refreshments.

Those present were Reba Roland, Lusara Dean, Terry Stringer, Cecelia Albritton, Heantha Wayne, Hazel Crow, Peggy Sue Holmes, Saelia Jo Goodman, Sandra Kay Holmes, Glenda Hill, Brenda Gould, K. T. Scott, Boyce Irwin, Homer Elmore, Billy Crow, Bennie Watson, Jesse Forbus and Kay Shelburne.

TEN YEARS AGO (October 1, 1959)

With the fifth annual Hamlin High School homecoming only a week away, officials of the HHS Ex-Students Association, sponsoring organization, this week declared preparations are being made to handle a record crowd in the two-day affair next Friday and Saturday.

Cards of intention to attend the get-together continue to pour back to Mrs. Joan (Johnson) Ford secretary of the association. Some 1,800 postcards with reply cards attached had been mailed to ex-students.

Five members of the staff of The Piper, yearbook at Hamlin High School, attended a yearbook clinic Saturday at Big Spring. The clinic, sponsored by the company contracting to print the annual, Colorpress, Inc. of Austin, was held on the Howard County Junior College campus.

Members of the staff who attended the clinic were Dwight Griggs, Ned Moore, Pat Bigham, Mary Smith and Laverne Williams. Mrs. Edith Carter, sponsor, accompanied the students.

NEWS FROM...

Sylvester

By MRS. R. M. BARR

We only had .40 inches of rain this past week. We have only had 6.71 inches of rain during the month of September.

Mr. and Mrs. Merrill Turner of Seattle, Wash., and Farwell, Tex. visited with her

mother, Mrs. Ella Scott in Hamlin and her brother, the Charles Scott family here. They returned to Farwell this past week.

Mrs. Clara Montgomery is still quite ill in Hamlin hospital.

Mr. Loys Smith is doing real well since his surgery in Scott and White in Temple some three weeks ago. He is home and would love company.

If you missed any of the services during the Baptist Revival you missed a blessing. We had good messages and good singing.

Sunday afternoon the Melvin Thompsons and Mrs. Dan Kidd attended the funeral of a niece and cousin in Roscoe, later taking Danna Thompson back to Hardin-Simmons University in Abilene.

The Gerald Prather family visited in the afternoon in the W. B. Brown home on Sunday.

Rhonda Douglass has returned home and is employed in Sweetwater at the present. She formerly worked in Midland.

Mr. and Mrs. Thomas Kiser of Ft. Worth visited in the Cecil Kiser home over the weekend.

Sorry, I haven't been very noisy this week, maybe I will have more next week. I would be very happy for people to call me when they have news.

McCauley 4-H Club Elects Officers

Officers of the McCauley 4-H Club were elected Sept. 24 at a meeting held at the

school.

Annette Cleveland was elected president; Billy Stevens, vice president; Shirley Gann, secretary; Max Kemp and Sue Smith, council delegates; and Arvinelle Smith, reporter.

Dates for meetings were set and those to serve refreshments were selected.

Pro Basketball Game Set In Taylor County Coliseum

ABILENE — The Dallas Chaparrals and the Los Angeles Stars will clash Thursday, Oct. 9, at Taylor County Coliseum in the first professional league basketball game ever played in Abilene.

The teams are members of the American Basketball League and will be near the end of their pre-season exhibition slates when they play here. It also will be the first basketball game in the new coliseum, which will be the home court this season for the Hardin-Simmons University Cowboys.

Finishing touches are being put on the Coliseum to prepare it for basketball. The Tartan floor was being installed this weekend, and the goals already are on hand.

Tickets for the game will be on sale soon.

Both the Chaparrals and the Stars are charter members of the ABA, which is beginning its third year. The

Chaparrals this season are looking to a crowd of young rookies and the brilliant play of two veteran forwards to make them a contender in the ABA Western Division.
